Exercise 1 - ABM: Segregation

Exercise 1.2 For each value of r (0.1, 0.2, 0.3, 0.4, 0.5, 0.6, 0.7, and 0.8) determine the threshold at which the model shows segregation.

Exercise 1 - ABM: Segregation

Exercise 1.2 For each value of r (0.1, 0.2, 0.3, 0.4, 0.5, 0.6, 0.7, and 0.8) determine the threshold at which the model shows segregation.

Exercise 1.2 Plot these threshold values as a function of r .
